

# American Fork Citizen

AMERICAN FORK CITIZEN, SATURDAY, SEPTEMBER 2, 1916.

NUMBER 20

## BIG DOLLAR DAY AND FASHION SHOW

The grand illumination sale and fashion show scheduled for next Thursday promises to be the biggest thing of its kind ever given in a city the size of American Fork. The merchants, business men and commercial clubs are all back of it, and promise that events will happen as printed in our last and present issues.

Primarily it is a fashion show to illustrate the styles for the coming season and compare them with those of years ago. But in addition there will be special sales, illuminations, a parade, music, living models, free pictures, and a grand ball. Read the paper for further information.

## DON'T TURN THEM DOWN.

One person in a city can not do it. No class of citizens can succeed as well as the whole community. Let every individual boost and help make the coming "Fashion Show" a success. Don't be a "knocker" or a "leaner", but boost and lift. Let every person asked to take part by the committee do so willingly, don't turn the committee down. They need your help, and you will have one of the best times in all your life. Funny stories and freaks will be a part of the parade—Let everybody help.

## I. A. HOLDS SUCCESSFUL CONVENTION

The Mutual Improvement Association of the Alpine Stake held a successful convention here Sunday. There were four sessions, at 9, 10, 11 and 7:30 o'clock, when plans pertaining to the coming season's work were discussed and gone over. Lunch at 2:30 was served in the priest's room at noon.

## TIGER USES GUN AND HAND CUFFS

Deputy Sheriff D. M. Adamson of the county, came to American Fork to get Louis Walters, wanted for some cattle trouble over there. Walters was being held by Marshal Fuller at the Walters home and their man from a distance with another near the barn. Reaching the officers were told that Walters was not there, but as the sheriff stepped to the other side of the barn he saw his man running in brother's house across the road. There he called for Walters to get out, and as the latter obeyed he met with a drawn revolver and was submitted to being handcuffed. Marshal Fuller stated that he had been in Walters' home in play in Tooele County and he had run when he saw the sheriff coming. Walters was taken to the jail, Marshal Fuller going as far as Salt Lake.

## COUNCIL PROCEEDINGS

Continued Support to Free Public Library. City Council held a regular meeting Saturday evening, Mayor John Young being absent in Idaho. Councilman Young was elected Mayor pro-tem. M. Kelly, representing the league, asked for an appropriation for support for the free library. The council voted \$1000 for this purpose. Clements, et al., asked for the street past the property to the Featherstone. Mayor and council will in the proposition. City Recorder was instructed to the M. R. T. & T. Co. to re-lease the telephone in the record-ary in the City Hall. The council was asked to the telephone to collect the toll. The council was instructed to a loan of \$500 (all the taxes).

The usual bills were presented and allowed.

## PIONEER OF ALPINE ENDS USEFUL LIFE

Ephraim Healey, 25 Years a Justice, 20 Years a School Trustee, and a Well-to-do Farmer Dies—Aged 69. Ephraim Healey, one of the early settlers of Alpine and one of its leading citizens passed away Monday. He had been a sufferer from diabetes for the past two years. He was a well known farmer and sheepman, having been a resident of Alpine and Pleasant Grove for over fifty years.

He was born in Whittle, England, Jan. 27, 1847. When seven years of age he with his parents came to Utah, by way of New Orleans. There

Cut by courtesy of Herald-Republican.

were nine of the Healeys who arrived in New Orleans but before reaching St. Louis five died from a plague which raged on the river boat.

The family settled in Pleasant Grove and thirteen years later moved to Alpine, where Mr. Healey served as school trustee for 20 years, and a school trustee for 20 years.

He is survived by a widow and eight children. They are: Mrs. William Jenkins of Victor, Idaho; Mrs. Otto A. Sleenback, of Salt Lake; Mrs. George Nielson of Butte, Mont.; Mrs. Guy Shoemaker of Midvale; Mrs. Thomas McGregor and Mrs. Mark Bennett of Alpine.

Funeral services were held at Alpine Wednesday afternoon from the Alpine meeting house, Bishop Vance presiding. Thos. F. Carlisle offered the opening prayer and Mayor John Hunter of American Fork the benediction. The speakers were: Patriarch Henry Moyle, Patriarch Albert Marsh, John E. Booth of Provo and Pres. S. L. Chipman of American Fork. A biographical sketch was read by Mrs. Mae Hackett Marsh and a solo was rendered by Mrs. Clarinda Holman Little. It was one of the largest funerals ever held in Alpine, and the floral tributes were many and beautiful.

## FUNERAL SERVICES FOR MRS. JOHN MILLER

The body of Mrs. John Miller who died in Provo Sunday, was brought here Tuesday for burial. Mrs. Miller was operated on Saturday for some adhesions resultant from two operations performed a year ago.

Mrs. Miller was formerly Miss May Openshaw of Santaquin. Soon after her marriage, eleven years ago to John Miller of this city, they moved to Mammoth, and later to Heber where Mr. Miller operates a motion picture house. Mr. Miller's parents are Mr. and Mrs. Joseph Miller of this city. Mrs. Miller leaves two children, a boy aged 10 and a girl aged 7.

Funeral services were held in the Second Ward chapel Wednesday afternoon. Bishop Joseph H. Storrs presided with Ray D. Nicholes offering the opening prayer and W. S. Chipman, Prof. Boyle of Provo, Bishop Duke and Patriarch Duke of Heber as the speakers. Mrs. C. E. Young sang "Love's Divine," Ernest Paxman and Elva Chipman sang a duet and a mixed quartette was rendered by Heber folks. Several selections were sung by the choir under the direction of Ernest Paxman. High Counselman Duke offered benediction. There were many out of town people attending the funeral, mostly from Mantle, Santiquin and Heber.

The teachers of the Alpine school district held a most successful institute in this city yesterday. State Supt. Govans and representatives of the U. of U. and the U. A. C. were present and delivered addresses. Practically every teacher in the district was present.

## EXPLORATION CO. WILL USE MACHINERY

The Miller Hill Exploration Co.'s tunnel is now in nearly 500 feet having gone this distance since June 21st, which is a record for fast tunnel work in American Fork Canyon. The tunnel is in a shale formation nearly all the way and is timbered most of the way.

Emil Nelson who has been doing the work will have finished his contract when the 500 feet mark has been reached. When this has been done a new system of driving will be installed. General Manager J. C. Jensen who came down from the property this week is authority for the statement that power drills will be installed. He already has men clearing away for foundations on which the plant will rest. The Earl Eagle plant is giving such excellent satisfaction that the Miller Hill plant will be practically a duplicate of it. The motive power will be a 25-h. p. oil burning engine.

The tunnel is being run to cut the Pacific-Dutchman fissure, which probably lies 1,000 feet yet ahead. The Exploration Co. has the ground on a lease which necessitates getting to the ore with all possible speed. As the quartzite contact will soon be encountered the power plant becomes an almost absolute necessity, for in this material one and two feet per day is the rule.

## CANYON NEWS

Joseph W. Thorne, Manager of the Utah Centennial, paid a visit to the property Sunday and returned with samples of rock that the men are now taking out. The whole face of the tunnel is in rock that appears to be liberally filled with carbonate. It is low grade but an assay from which the returns have not yet been received, is expected to show values in silver and lead.

The ground now is so much altered that it is much softer and men are making from two to three feet per day. They are expecting to cut the fissure and contact almost any day.

The Bonneville Lumber Co. have sent several loads of lumber up the Canyon this week for the erection of buildings at the Pacific mine. Many new buildings have been going up to the camp during the past month and arrangements are being made to work a big force during the winter and as soon as the mill is completed.

Reports from the Atlantic mine, the property controlled by Jno. L. McKinney and Jos. Johnson, are that the men have opened up a nice vein of ore that is widening as the tunnel progresses.

Provo, Aug. 30.—Quite-claim mining deeds have been filed with the county recorder from T. J. Owen et al., to Paul A. Eckman for the following interests in American Fork and Silver Lake Mining districts. An undivided one-twelfth interest in the Laura Nos. 1 and 2 mining claims in American Fork district; consideration, \$143.50 an undivided one-twelfth interest in the Laura Nos. 1 and 2, mining claims in Silver Lake district; consideration, \$200.

Lou Phillips, Jr., who came in last week from the Tooele Chief mine, owned by American Fork parties, reports 28 inches of ore, samples of which assayed 17 per cent lead and 8 ounces in silver. The tunnel is now in about 100 feet and is looking better than ever before.

## FIRE DESTROYS OATS

Department Makes Good Run, But Water Pressure is Low.

Two little boys and matches were responsible for the destruction of about 50 or 60 bushels of oats in a stack at the home of George E. Abel's at the head of Center St. Neighbors noticed the blaze as it had about enveloped a partially constructed stack and managed to hold it from spreading to a stack of wheat two yards away till the arrival of the fire department who soon had the flames under control and saved a half of the oats in the stack.

The department made a remarkably quick run and connection, having the water playing in the stack almost before the fire had had time to ringling. The water pressure was very low and it is doubtful whether it could have gotten to the roof of the Abel home if the fire had been there instead of on the oat stack.

WE PRINT BUTTER WRAPPERS.

## Chipman's big ad. will be found on next page

## GREENWOOD'S REUNION

The descendants of the late Wm. Greenwood, numbering about two hundred and fifty held a family reunion at the Lake Resort Thursday, August 24 1916 which came in too late for last week's issue. From 10 to 12 was spent getting acquainted; at 12 a lunch was served after which the following program was rendered: Address of welcome—Alma Greenwood; solo—Ernest Paxman; family sketch—Judge Joshua Greenwood; reading—Rulon Greenwood; violin solo—Mrs. Marion Greenwood and daughter; duet—Myrtle Walton and Emma Anderson; talk on the ancestry of England—Samuel A. Greenwood; reading—Clara Hunter; solo—Phillips Greenwood; short talk—Owen Carter; solo—Joshua Greenwood, "Soldiers' Return" being the song his father always sang; short talk—Rachael Hunter; short talk—Sarah Robinson, of Salt Lake; solo—Marion Greenwood. After the program a permanent organization was formed with the following officers: Alma Greenwood, Chairman; Myra Gardner, Sec'y.; Abram Greenwood, treasurer; Joshua Greenwood, Wm. Gardner, Earl Greenwood, Josie Greenwood and Melissa Greenwood, Committee.

Owen Carter, Samuel A. Greenwood and Marion Greenwood all of Salt Lake City were chosen as a committee to raise means for erecting a monument to the grave of Joseph Greenwood of Coalville, who died while emigrating to this country. Races and games were enjoyed by the children. At 8:30 supper was served, after which the evening was spent in dancing.

## FORMER RESIDENT DIES

Mrs. Charles Webb died at Riverton Sunday. She was formerly Sarah L. Jacklin, daughter of George and Ruth Jacklin of this city. She moved to Riverton about twenty-five years ago. She was fifty years of age and leaves several sisters and one brother residing in this city. The cause of her death was Bright's disease which superinduced dropsy.

Mrs. Webb never had any children of her own but raised one to manhood belonging to her sister Ruth and at the time of her death had three of her sisters children which she was raising.

Funeral services were held Wednesday at Riverton where she was buried.

## ATTENTION SCHOOL PATRONS

A rousing educational meeting just prior to the opening of schools will be held in the Tabernacle, American Fork, at 7:30 p. m. on Sunday, Sept. 3, 1916. An excellent musical program has been arranged for by local talent and the Johnson Male Quartet of the B. Y. University, Pres. George H. Brimhall and Principal P. M. Nielson will be the speakers.

The general public is invited to attend, and all school patrons and high school and grammar grade students are especially urged to be present.

## REPUBLICAN PRIMARY

A Republican Primary will be held in the American Fork City Hall, Sept. 6, at 8 P. M. to elect a precinct chairman, eight committeemen, two members of the County Central Committee to nominate one precinct justice and one constable for a term of two years and to elect 49 delegates to attend the County Convention to be held in Salem Sept. 14, 1916.

J. L. DUNKLEY, Sec'y.  
JOHN HUNTER, Chairman.
